However, note that the Information Disclosure Statement filed on December 11, 2003 has been considered in part (only the U.S. Patent) as the foreign patents were not found in the application, thus are lined through.

2. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance".
